- every Wednesday, 11.10 AM in INF 3105
- presentation and discussion of one paper
- staff papers are voted on
- subscribe to the mailing list (see website)
- we usually have pizza, you can join

- each student **picks a paper**
- **explore** the field of research by transitively following related work
- **present** the research topic in 75 minutes
- **write** an 8 page survey paper on the field of research
- pick your own topic and write a **paper** suitable for **workshop** submission
- these are the rules at Johns-Hopkins...

one **paper presentation** per student

- pick a paper related to systems research
 - suggestions on the website
- prepare a 15 minute (roughly) presentation
 - in English (this is not a language test)
 - show that you understood the paper
 - extra knowledge (related work) can help
 - prepare questions/issues for discussion

for the papers not presented by you

- write a **paper summary**
 - explain what you took from the paper
 - ask questions about things you did not understand
 - mention things you liked or disliked
- send to Björn Döbel <doebel@tudos.org>
 - until 23:59:59 the day before the talk
