

**TECHNISCHE  
UNIVERSITÄT  
DRESDEN**

**Department of Computer Science** Institute of System Architecture, Operating Systems Group

# **PAPER READING GROUP SUMMER TERM 2011**

**CARSTEN WEINHOLD**

- One paper each week
- Related to systems research
- 15-20 minute presentation
  - Paper content
  - Related Work
  - Questions & points of discussion
- The paper is discussed

- Prepare a summary of each paper:
  - Explain what the paper is about
  - Questions about things you did not understand
  - What did you like / dislike about the paper
  - Mail to [weinhold@os.inf.tu-dresden.de](mailto:weinhold@os.inf.tu-dresden.de) until **23:59:59 the day before** presentation

- Present one paper yourself:
  - English (this is not a test of language skills)
  - Show that you understood the paper
  - Prepare questions for discussion
  - Extended knowledge (e.g., related work) can be a plus

- Staff members:
  - Propose 3 alternatives
  - Voting on mailing list
- Students:
  - Pick a paper from the list on the website
  - Mail a list of 5 papers you are OK to present to [weinhold@os.inf.tu-dresden.de](mailto:weinhold@os.inf.tu-dresden.de)
  - Be scheduled for a presentation slot
